U-Bake Horse Treats are Here!

In an effort to provide financial support to Godspeed Horse Hostel Inc. we have developed a permanent fundraiser. We will now be selling *Horse Rescue Recipes U-Bake Horse Treats*. All proceeds from the sale of these treats will go toward rescuing horses and the care and training of the horses currently at the rescue.

U-Bake Horse Treats are packaged as a dry mix. Only water and a few moments in the microwave or oven turn the mix into the best treats your horse will ever eat.

The recipe is easy for children and adults alike. So help rescue horses while having fun making your equine friends treats they won't be able to resist.

Horse Rescue Recipes U-Bake Horse Treats can currently be purchased at the following locations:

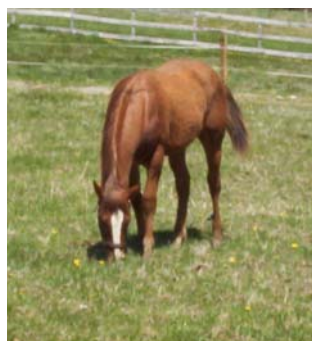

- www.godspeedhorse.org
- Agway stores in Millerton, and Chatham
- Dutchess Horse and Rider in Pawling, NY
- Horse Leap in Amenia, NY
- Rhinebeck Tack in Rhinebeck, NY

Keep a look out in a store near you. *U-Bake Horse Treats* will soon be distributed across the U.S.

U-Bake Horse Treats can also be purchased by other not-for-profit groups to use as a fundraiser. Have your 4H or Pony Club children raise funds for your organization while helping rescue horses.

Growing Up

Kip, spring 2006

A year ago today Godspeed Horse Hostel had four yearlings in the field. Each showed tell tail signs that they had not been handled the first seven months of their lives. Some could not be haltered, why others were just plain head shy.

We are happy to tell you that today is a very different story. They are on perfect

schedule in their development. And they are on their way to being great horses.

Each of our CanAm rescue horses will receive training before they are adopted out to new homes. The yearlings of last February will be ready to move on in 2009.

Troy, our 3 year old CanAm, will be ready for adoption in 2008.
